

**GREENSHAW
LEARNING TRUST**

We are seeking volunteers to be appeal panel members in the South Gloucester and Bristol area

The Greenshaw Learning Trust is a fast-growing academy trust successfully supporting and improving primary and secondary schools in the Sutton, Croydon, Bracknell, Bristol and Gloucestershire areas.

Our schools are welcoming and inclusive, at the heart of their local community. We are ambitious for our schools and our students.

We are currently seeking volunteers to serve as School Admission Appeal panel members in the South Gloucestershire and Bristol areas.

As a panel member on an Independent Appeal Panel (IAP) you will provide an impartial service to schools and parents. You will be responsible for ensuring that parents/carers feel that they have had a fair and independent hearing.

Full training will be provided, though good listening skills, the ability to remain calm but firm and good communication skills are key to this role.

Appeal hearings are held throughout the year. However, peak times are between May and July.

We would welcome interest from people of all ages and backgrounds, including those who have had experience working within a school environment, such as teachers, school governors or have some experience of committee work.

If you are 18 years or over and would like to find out more, please visit our website at www.greenshawlearningtrust.org.uk, and go to 'join us'. Alternatively, contact our Head of Admissions, Marlene Francis, for an informal chat on 020 8715 1078 or email mfrancis@greenshawlearningtrust.co.uk.
